Prof. in Business Management

Chairman's Message ...

It gives me immense pleasure that CAI has successfully completed five years of dedicated service to the Indian SC/ST MSME entrepreneurs. In order to cover large number of our entrepreneurs and improve their business, we have been expanding our chapters to various states in our country. We have state chapters at New Delhi and Odisha apart from Telangana, Kerala, Karnataka and TamilNadu . CAI has instilled confidence and encouraged banks to lend more to our members by providing increasing guarantee cover to credit facilities by banks as well as by providing improved quality of service. CAI has been working with TamilNadu Grama Bank in implementing NSFDC schemes, in 2022 Rs. 55 Crore is being earmarked for assisting our members in TamilNadu to start various business activities. CAI has successfully supported its members through schemes like Stand-up India , NEEDS , IVY etc to an amount of Rs.15 Crores as on 31st Dec 2021.

In India, there are 59 lakh SC/ST Entrepreneurs which are household Entrepreneurs. Under SME population there are 6 crore in the country in which 14 % are SC/ST Entrepreneurs. While Mudra loans cover upto 10 lakh per individual the average lending is only Rs. 41,000 at present.

Still, SC/ST Entrepreneurs are not aware of the schemes that are tailor made for them.

CAI is working in this endeavor to take these schemes for its members in the coming days.....

With Warm Regards,
D. Navaneetha Sivakumar

Confederation of Affirmative Industries (CAI)

AN OVERVIEW OF CAI ...

Confederation of Affirmative Industries (CAI) is a trade body started in 2016 to bring all possible industries, manufacturing and service sectors, trade and professionals and their bodies under one umbrella to establish a credible, vibrant and dynamic platform for the development of Trade and Industry and co-ordinate the activities and problems of the different industries and trade associations and societies for solving the problems of industries owned by Schedule Community, Schedule Tribe executives and entrepreneurs. CAI also works with Government on policy issues, to enhance efficiency, competitiveness, improve business opportunities for Scheduled Community and Scheduled Tribe entrepreneurs and population using state of the art specialized services and strategic global alliances.

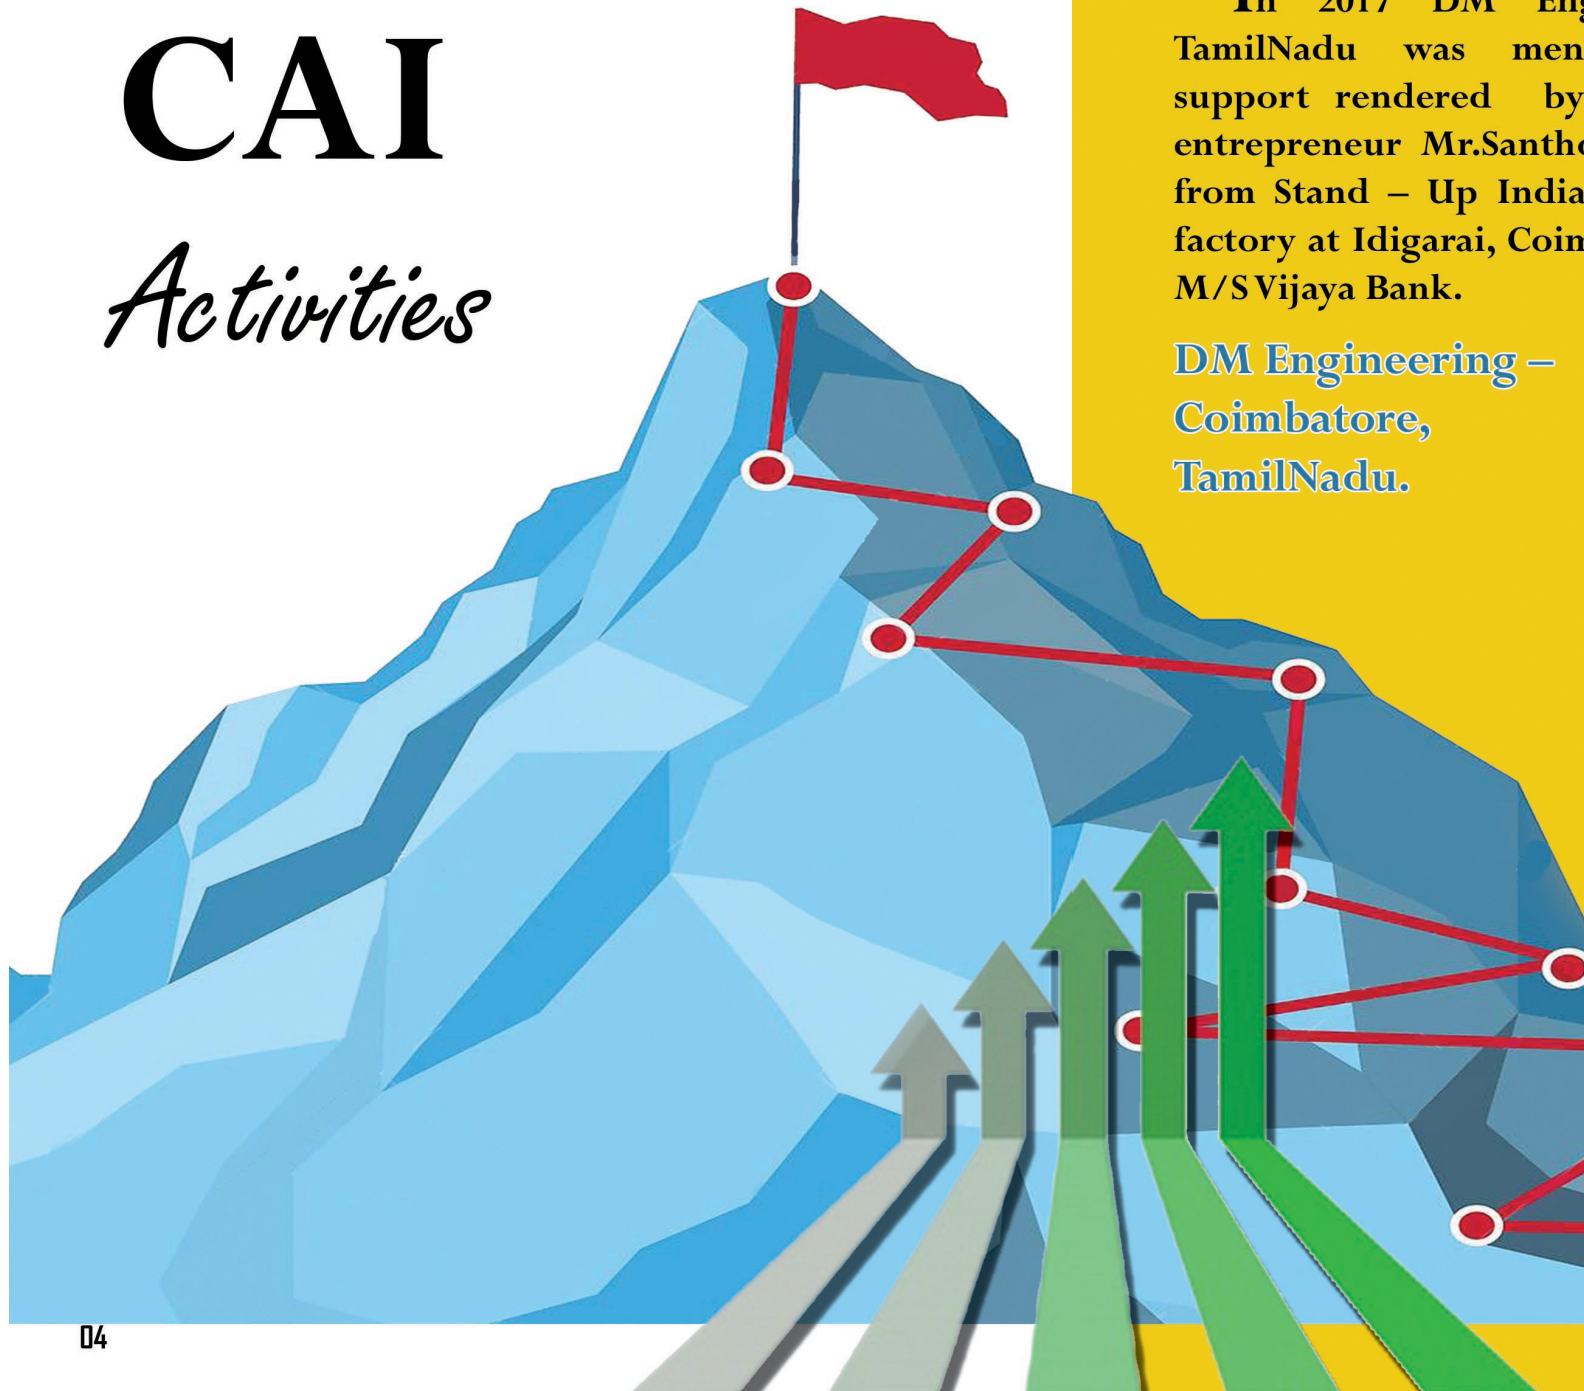

CAI has 2000 members in Tamilnadu Chapter comprising of seven regions in the state. CAI has chapters in states like Tamilnadu, Karnataka, Kerala, Telangana, Odisha, and New Delhi. Vendor Development Programs with PSU's like NLC, Kamarajar Port, BHEL, SAIL, Indian Air Force Station, Ordnance Factory, HAL, Southern Railway, ICF, Chennai Port Trust, HAPP-Trichy, Chennai Petroleum Corporation, Bharat Petroleum Corporation, Heavy Vehicle Factory Avadi were organized jointly with Ministry of MSME, Govt. of India for its members. Several members of CAI were made as vendors under this initiative thereby bringing them in the procurement process.
